### **NSM Code of Honor (<https://uh.edu/nsm/students/undergraduate/code-of-honor/>)**

The College of Natural Sciences and Mathematics (NSM) expects its students and faculty to work together to promote a culture and environment for honorable completion of academic work. As members of NSM, we must all demonstrate personal and academic integrity, honesty and mutual respect for one another. This requires that we all uphold the [University of Houston Academic Honesty Policy](#) and [Codes of Conduct](#), which apply in all academic settings, including the online environment.

As members of this science and math community, we aim to strengthen and improve the quality of life for our local communities and society as a whole, so it is important that we all demonstrate the highest ethical standards, which are critical to the integrity of the institution.

### **Academic Honesty**

It is each student's responsibility to read and understand the [Academic Honesty Policy](#). There will be no tolerance towards academic dishonesty, and cheating can lead to report of a violation of the Academic Honesty policy to the UH Office of Undergraduate Academic Affairs. High ethical standards are critical to the integrity of any institution, and bear directly on the ultimate value of conferred degrees. All UH community members are expected to contribute to an atmosphere of the highest possible ethical standards. Maintaining such an atmosphere requires that any instances of academic dishonesty be recognized and addressed. The [UH Academic Honesty Policy Process](#) is designed to handle those instances with fairness to all parties involved: the students, the instructors, and the University itself. All students and faculty of the University of Houston are responsible for being familiar with this policy.

### **UH Honor Code**

Students may be asked to sign an honor code statement as part of their submission of any graded work including but not limited to projects, quizzes, and exams: *"I understand and agree to abide by the provisions in the (select: [University of Houston Undergraduate Academic Honesty Policy](#), [University of Houston Graduate Academic Honesty Policy](#)). I understand that academic honesty is taken very*

*seriously and, in the cases of violations, penalties may include suspension or expulsion from the University of Houston."*

Under these policies, students with excused absences will be provided with an opportunity to make up any quiz, exam or other work that contributes to the course grade or a satisfactory alternative. Please read the full policy for details regarding reasons for excused absences, the approval process, and extended absences.
